Special notes

Announcing “Schools closed” means all meetings, field trips, and after-school activities, including school-age care, are cancelled for the day.

When there is early dismissal due to emergency conditions, all Issaquah schools will cancel their after-school programs and school-age care.

When school schedules change

School closures and delays are usually announced very early in the morning. If you anticipate emergency transportation conditions, check for an announcement on TV, radio, or the Internet. To receive closure information straight from the district:

- Make sure you are receiving district eNews. Notifications will not be sent via individual school eNews.
- Check the ISD homepage, www.issaquah.wednet.edu. Subscribe to receive ISD emergency news at www.FlashAlert.net
- Check the recorded messages at (425) 837- 7000 (Administration) or (425) 837-6333 (Transportation).

When we announce “Schools closed”

All meetings, field trips, and after-school activities are cancelled. Morning and afternoon school-age care is cancelled. When there is early dismissal due to emergency conditions, after-school programs and school-age care are cancelled.

When bus stops must change due to emergency conditions

When we announce “buses on snow routes,” students from certain areas of the district will need to go to Emergency Stops—different bus stops than usual. **If you do not see your neighborhood or streets listed here with alternate Emergency Stops, go to your regular bus stop.**

When we announce “buses on snow routes,” students will be picked up in the morning and dropped off in the afternoon at the same Emergency stop listed in this brochure, regardless of weather improvements.

Please note

Special needs and regular education students use the same Emergency Stops. (No door-to-door service.)
