

Finding Test Score Reports on Family Access

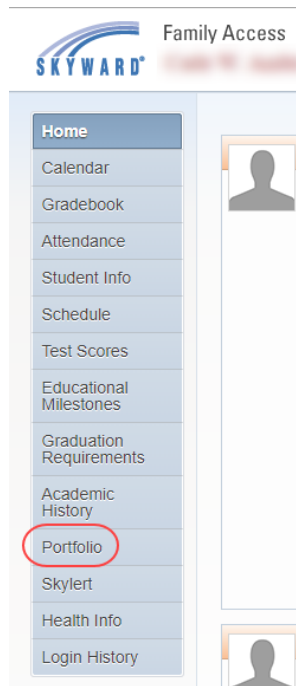

If you have been informed that your student has a test score report in Family Access, please follow the steps below to download a copy of the score report. These reports are available for one year, so please save a copy for your own records.

1. [Login to Family Access](#)

- a. If you have not logged in before or do not remember your username or password, please click on the **Forgot Your Login/Password** link
- b. Any further login questions should be directed to your student's school

2. Once you have logged in, click on the **Portfolio** tab on the left side of the screen. This is the same place that you find your student's report cards.

3. Any attachment with the type of Test Scores will be a score report for your student. The titles will specify the test and when it was taken. Click on the hyperlinked name to open a pdf of the report.

Portfolio - Attachments
