The IM PTSA Angel Program

The Angel Program strives to assist families who need a little extra help making ends meet...a confidential, behind the scenes IM PTSA program made possible by IMS parents, the greater Issaquah community, including Superior Seconds, Issaquah Food Bank, as well as hardworking, dedicated parent volunteers.

**Need help?**

IMS students needing school supplies or necessities of any kind and qualify for financial aid may complete the [Scholarship Eligibility Application](#). The form is also available in our front office. Students needing something extra to be successful at school and/or to feel part of the community may see their counselors and fill out a special request form. Items may include a need for shoes, coats, groceries, sports equipment, bedding and/or personal products. Return the scholarship applications and special request forms to our bookkeeper, Shelli Gitchel ([Gitchels@issaquah.wednet.edu](mailto:Gitchels@issaquah.wednet.edu)).

**How you can help?**

**Angel Donors:**

1. Any amount you can afford to help IMS students in need will make an enormous difference in these children’s lives. [Click here](#) to make a monetary donation. While you can purchase a membership through this link, you do not have to be a PTSA member to donate. Just continue to the page labeled “Annual Giving Campaign” to donate to the Angel program.
2. Sign up to join our [Online Community](#) in order to receive notices when we are in need. Go to the Volunteer Opportunities page on the IM PTSA website and search for “Angel Student Assistance Program” and select your name and then click “next” at the bottom of the page. We will post anything a student may need at home to be successful at school.

**Angel Shoppers:**

Like to shop? We need volunteers to shop for specialty items, as special requests are received throughout the school year.

**Angel Program Support:**

We also need volunteers to help us promote and support the Angel Program through marketing, procuring corporate donations, and communicating our Angel needs and information throughout the community, all year long.
